PROFILE

Dedicated web developer with over four years of experience in crafting user-friendly, high-performing websites, particularly for eco-conscious brands. With a proven track record of completing 90+ WordPress websites, I specialize in creating tailored e-commerce solutions that not only meet the technical requirements but also align with the values and goals of my clients.

WORK EXPERIENCE

(Coach Foundation)

2023 - 2024

WordPress Website Designer

- **Website Design** : Developed custom WordPress websites with user-friendly navigation and a polished online presence.
- **SEO & Optimization** : Enhanced website visibility and performance through SEO best practices and performance optimization.
- **Client Collaboration** : Delivered tailored web solutions by closely collaborating with coaches to align with their brand identity.

Creative Space Bangladesh

Wordpress Instructor & Developer

2018 - Present

- **Website Design & Client Management** : Designed WordPress websites and managed client relationships to ensure successful project outcomes.
- **Instruction & Training** : Provided WordPress training, equipping students with practical skills and knowledge in web development.

Vantage Studio

Wordpress Developer

2023-2024

- **Website Design**: Designed and developed custom WordPress websites, focusing on user experience and visual appeal.
- **Remote Collaboration**: Efficiently collaborated with remote teams to deliver high-quality web solutions on schedule.
